Dear Ladies.

How sensational you were today in the V.A. Auditorium! How vibrant, energetic and (dare I say it now-a-days) GAY!! You were all so wonderful, sparkling and filled with enthusiasm. What a joy you were to us all - especially those vets who are so tired and alone in this world! Some of them there were practically jumpin' out of their wheelchairs!!

You lifted their hearts and put a special happiness there. What a blessing the whole troupe is to everyone! All the long practices and the hard work by the dancers, the stage crew, the bus drivers and everyone else really paid off!!

Please keep it up - keep spreading joy into this world!! And, please, come back again!!

God Bless you all,
